2a. Grant requests should be sent to the Earhart Foundation, c/o Director of Programs, 2200 Green Road, Suite H, Ann Arbor, MI 48105. The telephone number to receive additional information is (734) 761-8592.

2b, c, and d. The foundation has concentrated grant proposals on educational matters, with an emphasis in disciplines from the social sciences and humanities such as economics, philosophy, international affairs, and government/politics. To the extent possible support is directed to designate graduate students, scholars, and research principals.

The maximum term of any appropriation is 12 months. Requests for general operating support are discouraged, and endowment and building programs are not assisted.

H.B. Earhart Fellowships are awarded to move talented individuals through graduate study in optimum time to embark upon careers in college or university teaching or research. Recipients are nominated by selected faculty sponsors who monitor their performance. Direct applications are not accepted.

Fellowship Research Grants are awarded upon direct application to the foundation. Such persons must be associated or affiliated with educational or research institutions and the effort supported should lead to the advancement of knowledge through teaching, lecturing and publication. The application must include (1) curriculum vitae, (2) a full description of the proposed research- 3 to 5 pages in length, (3) an abstract of approximately one page (single-spaced), (4) the intended end use or publication, (5) a budget and time schedule, (6) a list of five references with addresses, and (7) a statement about applications elsewhere. Proposals should be submitted at least 120 days before commencement of the projected work period.

Grants are occasionally made to "publicly supported" educational and research organizations legally qualified for private foundation support. Specific projects or activities are usually identified for support and frequently the grant also will designate a person named in the application to execute or monitor the activity. Most grants are approved late in each calendar year. Written inquiries are preferable before a formal submission.

Spending related resolution to be considered by the Board of Trustees

11 April 2005

Pursuant to the amended By-Laws of the Foundation approved by the Members of the Corporation of Earhart Foundation on 30 December 2004, the Trustees are permitted to lift restrictions on all Foundation's assets for the use of Foundation-related transactions. Such measures will permit the Trustees to pursue action approved by the Members in June, 2003 to end the corporate life of the Foundation by 31 December 2015. To enable this process, the Trustees are requested by the President to consider and approve the following resolution permitting the lifting of all spending restrictions on the Foundation's assets and authorizing the President to take appropriate action to consolidate the Foundation's bank accounts to create only one unrestricted account:

**BE IT RESOLVED**, that the President is authorized to take appropriate action to release restrictions on all Foundation's assets and accounts, thereby adopting unrestricted status on all Foundation holdings effective 11 April 2005; be it further resolved that such action is in compliance with the Trustees' intent as approved by the Members on 30 December 2004 to release all restrictions on the Foundation's holdings, which, in turn, is in accordance with the June 2003 decision of the Members to conclude the corporate life of the Foundation by 31 December 2015.

**MINUTES OF SPECIAL MEETING  
OF MEMBERS OF  
EARHART FOUNDATION**

30 December 2004

Pursuant to Notice and to Waiver of Notice, a Special Meeting of the Members of Earhart Foundation was called to order in the Foundation's office on 30 December, 2004 at 2:00 p.m. EST. Present in person was David B. Kennedy. Present by Proxy (to Mr. Kennedy) were Patricia Earhart, Philip E. Guiles, Cecily E. Horton, and Ann K. Irish. Constance O. van Eeghen was not present either in person or by proxy, but had conveyed her wishes by phone, by fax, and in writing to both Mr. Kennedy and to Ingrid Gregg, President of the Foundation. Ms. Gregg was present at the meeting by phone. Mr. Kennedy acted as Chairman of the meeting and declared that a quorum was present.

The purpose of the meeting, as stated in the Notice of Special Meeting, was to vote on a proposal to amend the By-Laws of the corporation **"to delete in its entirety Section 2 of Article II"** of the By-Laws, which section presently reads as follows:

**"2. The Board of Trustees shall not in any one year spend from capital of the corporation, or proceeds therefrom (not including income), in excess of five per cent thereof."**

As further stated in the Notice of Special Meeting, "the purpose of deleting the above language is to permit the Foundation to embark upon its program of spending down the assets of the Foundation over the coming years, in an orderly manner, in accordance with the planned phase-out of the Foundation's corporate existence by the end of the year 2015." This plan was agreed upon between the Members and Trustees at their respective meetings in June of 2003.

The Chairman noted that the attorneys for the Foundation have provided a formal legal opinion dated 15 December 2004 (a copy of which is attached to the original of these minutes) authorizing the Members to take the proposed action if they so choose. The proposal to amend the By-Laws by deleting in its entirety Section 2 of Article II of those By-Laws now having been moved and seconded, the Chairman called for a vote on the proposal. All five votes of those Members present in person or by proxy were cast in favor of the proposal to amend. Ms. van Eeghen, at her request, was noted as abstaining from the decision. The Chairman stated that no notes having been cast opposing the amendment, and that a majority of five votes (of a total of six) having been cast supporting the amendment, with Ms. van Eeghen's abstention having been duly noted for the record, the amendment, therefore, had carried by the required majority of all Members, and that Section 2 of Article II of the By-Laws of the corporation was deleted in its entirety, with the remaining 3 sections of Article II being renumbered accordingly.

There being no further business to come before the meeting, the meeting was adjourned at 2:05 p.m. EST.

Respectfully submitted,

---

Ingrid A. Gregg, Acting Secretary

**MADE OR APPROVED FOR FUTURE PAYMENT**  
**YEAR ENDED DECEMBER 31, 2005**

**EXPLANATORY NOTES:**

1. The first two digits of the resolution number identify the year in which the grant was approved.
2. There is no relationship between any individual recipient and the Foundation's managers or substantial contributors. All grants to individuals were made in accordance with procedures approved by the Internal Revenue Service April 24, 1973.
3. The educational institution following the name of each fellow is the place of graduate study. The address is the mailing address for official correspondence. An asterisk (\*) indicates that a commitment for tuition is included in the fellowship. The amount of the tuition payment is determined upon billing by the college or university and is not included in the columns headed "Amount Approved for Payment" and "Unpaid Commitment." The tuition payment is included in the column "Disbursed Current Year" and is represented by the amount disbursed less the difference between the amount approved and the unpaid commitment.
4. Some Fellowship Research Grants and Grants to Organizations are divided into two amounts: (a) the fellowship stipend or grant purpose and (b) the funds to cover research, secretarial, clerical, travel or tuition expenses involved in carrying out the purpose of the grant.
5. Unless otherwise indicated the personnel and subject matter involved were selected by the grantee and the program conducted by the grantee, all in accordance with the application submitted.
6. All organizations to which grants were made are classified as public charities as described in section 509 (a) (1), (2), or (3).
7. Unless otherwise indicated the "Amount Approved for Payment" is the undisbursed balance of the original commitment carried forward from the previous year(s).
